Dear Parents

Watersports Activity Visit – July 2019

As you will recall, I wrote to you in September to inform you of a change in location and the flight details for this visit.

I have managed to change the outbound flight (originally scheduled to land into Barcelona) which will reduce the airport transfer time to the resort. However, it was not possible to change the inbound flight and those details remain the same.

The revised flight details are as follows:

22/07/19	Manchester – Carcassonne	1245-1550	Ryanair
28/07/19	Barcelona- East Midlands	1335-1450	Ryanair

Further details regarding the visit (including departure and return times from school) will be available nearer the time at the Parents' Information Evening. Details of this will be available in early 2019.

Can I please request a photocopy of your child's passport details from their passport by the end of October. This will be provided to the tour operator for the flight details.

I hope you find this information useful. If you have any questions regarding the change of arrangements please do not hesitate to contact me at r.solk@tgs.starmat.uk.

Yours sincerely
