Dear Parents

Study Support during the Easter Holidays

Following the success of the supervised study sessions in our ILC on a Thursday evening we will be opening the ILC for a number of days over the Easter break for Year 11 to access a quiet and supervised space to revise in. Students will need to bring their revision materials with them and will be required to sign in and out with staff who will be based with them in the ILC.

As the school is closed for the holiday, students staying for the day will need to bring their own refreshments. Similarly due to reduced school function, we would not be able to confirm if your child does not attend, as on a school day. However, if you did need to speak to the senior staff supervising, they will be contactable on 01937 837602. The ILC will be open from 10.00am to 2.00pm on the following days:

- Tuesday 16 April
- Wednesday 17 April
- Thursday 18 April
- Tuesday 23 April
- Wednesday 24 April
- Thursday 25 April

Please return the following slip to the Main Office before Thursday 11 April to confirm when your child will be attending supported study to enable staff to register students accurately in school. If you require any further information please do not hesitate to contact us.

Yours sincerely
