### FAQs

#### How long can I spread the payments over?

12, 24 or 36 months depending on your preference.

#### What happens at the end of the agreement?

On your final payment the device becomes yours.

#### Will there be any credit checks?

No everyone is approved and there are no credit checks.

#### What is the excess on the insurance policy?

There is no excess on either the insurance or warranty and you will receive the policy details with your device.

#### How do I make an insurance or warranty claim?

You will be provided with a policy and claims document detailing how to make a warranty or insurance claim.

#### Can students use the device at home?

Yes. Students can use the chromebook to further enhance their learning, but can use it as their own personal device at home.

#### How many devices can I order?

One per student on roll at the School.

#### When will I receive the device?

The ordering window will open on the 04.06.19 and orders need to be placed by 07.07.19. Your first direct debit will be collected on 25.07.19. Devices will be delivered to the School in time for the start of term and will be handed out to students.

#### What happens if I miss a payment or can no longer afford the device?

You will have to return the device; you will not own the device until the final payment is made.

#### What happens if I cannot afford to join the scheme?

Please contact the School to discuss options.

Full terms and conditions are available on the parent portal :

[www.tech4learners.co.uk](http://www.tech4learners.co.uk)

#### What if my child leaves the School?

You must return the device to the School or alternatively pay the outstanding payments to take ownership of the device.

Having access to the latest technology when and where they need it, gives students the very best chance of success in and beyond the classroom. But for parents and carers, making that investment can be a struggle and the equipment they choose may not always be in line with the School's existing systems and infrastructure.

## The Equipment On Offer

Our recommended device is the **Acer Spin 311**, a robust and rugged education dedicated Chromebook, which comes with a touchscreen, warranty in case of any technical problems, as well as insurance for accidental damage.

## How Technology Supports Students' Learning.

Chromebooks do not replace, but supplement our existing learning strategies. They give students access to Google Apps for Education which greatly enhance the learning experience. 'Google Classroom' in particular is an extremely powerful application, which is offering exciting collaborative and interactive educational activities, effective online feedback and improved communication between teacher, student and parent.

## How The Device Is Funded

Parents and carers commit to fixed monthly payments, and can spread the cost with no personal credit check required.

- Full breakdown warranty
- Fully insured for accidental damage
- The device is yours at the end of the payment term

## How to order

Visit our partner's online ordering portal, or contact the school for more information. Please note that orders must be placed within this timeframe.

## Key dates

|                    |                 |
|--------------------|-----------------|
| Portal opens       | <b>04.06.19</b> |
| Portal closes      | <b>07.07.19</b> |
| First direct debit | <b>25.07.19</b> |
| Delivery           | <b>03.09.19</b> |

The ACER 311 Chromebook is built to withstand everyday classroom knocks, bumps, drops and spills without damage. The Military Standard (MIL-STD 810G) tested, impact-resistant body stands up to daily wear and tear. It can take a 60kg weight, the shock absorbent bumper and reinforced design protect components and it can survive drops from 122cm. With its school day-long battery life, students can enjoy continuous and uninterrupted learning without worry.
