

13 May 2019

Dear Parents,

AQA GCSE Science Revision guides

I am writing to offer you a chance to buy revision guides for your child which will help to prepare them for their GCSE Science examinations.

The guides are published by Oxford university press. I will be selling a pack of 3 guides for Combined Science for £10.91 or a pack of 3 guides for Separate Sciences for £13.67. This represents a large discount when compared to RRP.

The table below will show which revision guides are appropriate for your child:

Science curriculum studied (Year 10 class sets)	Revision guides that are relevant
Separate Sciences (Sets 1a,1b)	Year 10 Separate Science revision guides pack
Combined Science (Sets 2a,2b,3)	Year 10 Combined Science revision guides pack

The revision guides are available on a first come, first served basis (supplies may run out).

If you would like to purchase one or more of the guides, then please pay for them using parent pay by Monday 3 June. The revision guides on parent pay have exactly the same names as in the table above. You will need to either select the "Year 10 Separate Science revision guides pack" **OR** the "Year 10 Combined Science revision guides pack", **there is no need to purchase both packs, but you will need to ensure that you have chosen the correct pack for your child, as I will not be checking that the correct pack has been ordered on an individual basis.**

Please note that the guides will be ordered very shortly after Monday 3 June and should arrive a few days after this.

If you would like any more information about the revision guides, please do not hesitate to contact me on my email: p.gomersal@tgs.starmat.uk

Yours sincerely

Mr P Gomersal

Faculty Leader: Science
