

Tadcaster Grammar School

'A Culture of Excellence'

1 July 2019

Dear Parents

Post-16 Transport Assistance 2019/20

If your son or daughter is staying on into our Sixth Form, you should be aware that you will need to pay for Post-16 transport to and from school.

Travel on City of York school services is managed directly by York Pullman. You can purchase a bus pass privately by downloading the application form on their website. Finalisation of price is imminent and this year's form will be available shortly at <https://www.yorkpullmanbus.co.uk/school-services/concessionary-bus-passes>.

Travel on North Yorkshire County Council services is managed directly by the Council. You can purchase a bus pass by submitting an application online at <https://www.northyorks.gov.uk/transport-sixth-form-or-college>. Applications should be submitted before 31 July to receive a pass before the start of term.

Sixth Form students will not be able to travel from 5 September 2019 if you have not submitted an application, so please apply as soon as possible.

Yours sincerely

Ms V Jones
School Transport Manager
