

Tadcaster Grammar School

'A Culture of Excellence'

MDU 16 July 2019

Dear Parents

Chromebook Update -

We have had a fantastic response to our chromebook initiative, and currently 94% of parents have opted to join the scheme. These chromebooks will be ordered for delivery in September. Many thanks for your support with this initiative.

We have taken the decision to allow the few parents who missed the deadline to join the scheme in one of two ways:

- The portal has been opened from today until Sunday 21 July for those parents who would like to make a chromebook order, but at this stage it would need to be a payment in full rather than a monthly payment option, for delivery in September
- Another opportunity will be offered at the start of the summer term to opt for a full payment or on monthly terms for delivery at half term

If you intend to buy your own device which meets our requirements, you may still indicate that this is the case, and notify us that you require a Google Chrome license **no later than 21 July**. This must be done via the school website, using the online form we have provided.

Please do not hesitate to contact me if you require more information .
