

Tadcaster Grammar School

'A Culture of Excellence'

Academic Year 2019-20

Dear Parents

WALKING TO SCHOOL

It is a Schools Safeguarding requirement that School has a log of students who walk to school. Could you therefore please complete the form below and ask your son / daughter to return it to me in the Main Office as soon as possible if they intend walking to school this academic year.

The walking route from Tadcaster to School has been upgraded and safety improved, but it is still a very busy route with lots of traffic using it. Great care must be taken, especially at the beginning and end of the school day when the buses are using the route – do not walk more than 2 abreast.

Students must use the pedestrian entrance / exit through the tennis courts. Under no circumstances must they enter or leave school through the Bus Park entrance.

Yours sincerely

MS V JONES
Student Transport Manager
