

17 October 2019

Dear Parents and Carers

School Non Uniform Day Friday 25th October 2019 - Field View Learning Hub

I am a year 11 student and as one of my GCSE options I chose to take the VLS course, which allows me to gain an ASDAN qualification. As part of this qualification, I have to raise money for a charity. I have chosen to organise a school non uniform day to fundraise for Field View Learning Hub, which is our autism base at TGS.

Field View is also used by other students to access small group practical subjects. I have chosen to raise money for Field View because then we will be able to get more equipment and supplies to support the wide range of students that use this amazing facility.

I would therefore like to invite all TGS students to support me in my qualification by helping to raise money for this charity, by donating £1 to wear non-uniform. **The Non Uniform Day will be Friday 25th October 2019.** All the money will go towards Field View. Next week I will provide a Powerpoint for our form tutors to raise more awareness and information about this event.

Yours sincerely

Sam Oates
Year 11 student
