3 October 2019

Dear Parents

Year 10 Introduction to Sixth Form

May I take this opportunity at the beginning of the academic year to introduce myself as Director of Sixth Form and the support I will be offering your child through Year 10 and into Year 11.

As a Year 7-13 school community, we are committed to providing support with students' transition at every stage of their school life.

It is important that students begin to reflect on what they would like to do Post 16 through the careers education programme during Life Skills lessons and the Tutor programme, in addition to careers events throughout the next two years. Looking at our Sixth Form prospectus will help you to understand the qualifications required Post 16 for the subjects we offer and this can be really helpful when understanding the importance of each GCSE grade, which your child will get through our reporting system.

Finally, we welcome you to our Sixth Form Open Evening on **Thursday 10 October 2019 from 6pm to 8pm** as an opportunity to form a valuable insight into the great opportunities available in our Sixth Form.

Yours sincerely

Mrs R Knapton
Assistant Headteacher: Director of Sixth Form
