

21 November 2019

Dear Parent

Iceland 2020

We have been given the following Icelandair flight information for the Iceland visit as follows:

3/4/2020 - depart Manchester Airport 12.55 - arrive Keflavik International Airport 14.40

7/4/2020 - depart Keflavik International Airport 0800 - arrive Manchester Airport 11.45

Please find attached the Consent and Medical Information for Educational Off-site Visits document (Indemnity form) which is to be completed and returned to Mr Kenyon (Geography Department) as soon as possible. This must include student's full name **as shown on their passport** and any medical/dietary conditions we need to be aware of. Paper copies are available from the Geography department if you require.

Please note: **due to uncertainty around Brexit it is necessary to have a least 6 months** left before expiry on passports on the date that you travel, so at least until 7th October 2020.

If possible could you also return either via email or as a printed copy with the indemnity form a photograph of the passport information page.

Can we also remind you that the next instalment of £250 is due to be paid on Parentpay by December 6th which should make the total paid by that date £850.

Yours Sincerely

--
