Dear Parents

Year 12 Drive Alive Workshop – Tuesday 4 February 2020

I am writing to advise you that your child will be participating in a 'Drive Alive' workshop on Tuesday 4 February 2020.

Drive Alive is a young driver educational event delivered by NYCC. Students will undertake sessions including drink and drug awareness, collision investigation and first aid, as well as learning about the hazards they may face on the roads, both as a driver and a passenger. They will also listen to David and Janet Warin, who tragically lost their 17 year old son Daniel in a single vehicle accident three weeks after passing his driving test. It is a powerful and informative event.
