Dear Parents

Year 12 Spring Term and Key Dates 2020

May I firstly take this opportunity to welcome our students back for the new term.

We are now well underway with the A level course content and with our first formal assessment point beginning soon, revision should be at the forefront of students' Independent Study Time. The need for continual revision of units covered is one of the key areas of success in a linear examination programme. Students should also now be regularly accessing past papers, examiners' comments and completing independent study tasks, such as mind mapping and extended research.

I am enclosing a list of key dates for this year for you to add to your new calendars, so you can support your child during the rest of this academic year.

If you require any further support or guidance, please contact your child's tutor or myself and Mrs Gadsby.

Yours faithfully

Mrs R Knapton
