

JWK

December 2019

Dear Parents

Year 13 Mock Examinations

Year 13 Geographers will have a mock examination after Christmas. This will cover Natural Hazards, Changing Places and Coasts. We have encouraged all students to prepare well for this assessment using their class notes, independent study resources, revision guides, tutor2u resources and past paper examination questions.

A level Geography Revision Conference

To support students in the preparation of their final summer examinations we are inviting all Year 13 Geographers to attend an A level Conference at Bootham School on Tuesday 17th March 2020. The morning of the conference will be used to consider AQA assessment objectives and examination techniques and in the afternoon there will be three lectures on global systems and governance from lecturers at Sheffield University. If your son/daughter would like to attend the conference please pay £8.00 via ParentPay by 24th January 2020. Please note that all students must organise their own transport to and from York and will be unsupervised during lunchtime. I will meet students in the morning (time to be confirmed) at the entrance to Bootham School and dismiss them at the end of the conference to make their own way home.

By agreeing to your child participating in this visit, you agree to your child receiving emergency medical and dental treatment of any nature as considered necessary by the medical authorities present. You agree that if your child urgently requires medical or dental treatment and it is not possible to contact you, the Party Leader in charge at the time is authorised on your behalf to give consent to such emergency treatment. You will inform the school of any changes in your child's medical or dietary requirements since enrolment to the school as well as any changes to emergency contact telephone numbers.

If you have any questions regarding the information above, please do not hesitate to contact me.

Yours sincerely

Mrs J Walker
KS5 Geography Coordinator
