

Department for Education

The government is closely monitoring the spread of the Coronavirus and is taking action at home and abroad.

The overall risk of Coronavirus to the UK remains moderate. However we understand that people may be concerned where there are children, students or staff returning from or visiting China.

Public Health England and the Foreign Office have issued advice for anyone travelling to the area. This can be found at:

- <https://www.gov.uk/foreign-travel-advice/china>

HM Government

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.
