

Be Your Best Self

February 2020

Dear Parents

Sport Relief week: 9-13 March 2020

Sport Relief 2020 is just around the corner and once again TGS has decided to get active, have fun and change lives. To raise money, as a school, we will hold a series of events:

- Run fitness sessions during tutor time each day throughout Sport Relief Week for students and staff
- Hold various sporting challenges during lunchtime, such as the Crossbar challenge
- Hold a non-uniform day on Friday 13th March to raise additional funds, where students are asked to donate £1 to wear non-uniform (sport kit, if they wish)
- Host an 'Evening with Jamie Jones-Buchanan', Assistant Coach, Leeds Rhinos on Monday 16th March. Tickets are £10 each.

Please could you encourage your child to take part in as many of the fundraising activities as possible and support them through sponsorships for the appropriate events. You can also get involved. Tickets for our evening with Jamie Jones-Buchanan will be available to buy via ParentPay or from the main reception. Further details for this event specifically will follow soon.

As a school we raised over £3,000 in 2018. Our aim is to beat that this year!

The money we raise is used to change countless lives, both here in the UK and worldwide. For example, £250 could provide an hours' childcare for 25 mums in the UK with postnatal depression so they can get counselling and support. We will also be using Sport Relief as a learning opportunity to help our students explore the issues facing young people across the world, and how the money we raise can help others.

We really appreciate your support and hope that you will have fun helping us raise lots of money for Sport Relief.

Yours sincerely

Mr G Middleton
