

Dear parent/guardian,

We recently came into one of Tadcaster Grammar School's assemblies to tell the students all about NCS. Hopefully, they will fill you in, but here is a little overview of who we are and what we're about...

NCS is an experience specially designed for 16-17 year olds. We give young people a few weeks out over the summer holiday to meet new people, try new things and cover new ground. We are all about helping teenagers realise their potential, by giving them a taste for independence and loading them up with new skills so they can go on to smash their future goals.

As a national youth programme, NCS is made up of lots of regional providers – and that is where we come in. We are Flying Futures and are your local NCS provider. Last year we took students away from Tadcaster Grammar School and this year is your child's turn!

Our three-week programme costs around £1,500 but because we are government-funded, we only ask for a contribution. The most you will pay is **£50**, and we also offer bursaries – so everyone can do NCS.

This summer, we have got a few dates you can choose from:

- Wave 1** (29th June 2020) NCS Fest
- Wave 2** (06th July 2020) NCS Fest or The Lakes
- Wave 3** (13th July 2020) NCS Fest or The Lakes
- Wave 4** (20th July 2020) NCS Fest or The Lakes
- Wave 5** (27th July 2020) NCS Fest or The Lakes
- Wave 6** (03rd August 2020) NCS Fest

Want to find out more? Head to: <https://wearencs.com/>, and you can also sign up to confirm your place here too. Alternatively, if you have any questions or do not think these dates will work with your summer plans, give us a call and we will do our best to help you out:
