Dear Parents

Visits to Canada and Iceland during the Easter Break

Following the advice to schools from the government* yesterday to not run overseas visits, we are regrettably cancelling our visits at Easter to Canada and Iceland.

We are already in contact with the Tour Operators and Insurance companies to establish how/if funds can be recouped for parents and will be in touch with a more detailed response in due course.

We understand how disappointed your child will be upon receiving this news.

Thank you for your ongoing support.

Yours sincerely
