

Be Your Best Self

March 2020

Dear Parents

TGS Great British Clean Up

As an Eco-School, to support our journey to Green Flag status, students will be taking part in the 'Great Big School Clean Up'. It is part of the 'Keep Britain Tidy' annual 'Great British Spring Clean' – the largest mass litter pick in the country.

We will record our litter pick and report back to Keep Britain Tidy on the following:

- How many people participated
- How many minutes litter was picked up for
- How many bags of litter were collected
- The type of litter collected (plastic bottles, aluminium cans or general waste).

Students will be supervised by Form Tutors, House Leaders and Senior Leaders throughout the litter pick and each form will spend approximately 15 minutes litter picking on their designated day. Form Tutors will brief all students on health and safety rules.

House litter picks will take place on the following dates:

Monday 16th March	- Oglethorpe & Calcaria
Wednesday 18th March	- Fairfax & Toulston
Friday 20th March	- Dawson & Wharfe

If possible, it would be helpful for students to bring in a pair of gardening or heavy duty gloves. However, spare gloves will be available in school. Students may also wish to bring a waterproof coat and a change of shoes if the weather is not favourable. We hope students will enjoy the 'Great Big School Clean Up', the fresh air and improving our school environment!

Yours sincerely,

Miss D Naylor

House Leader - Oglethorpe
