

Be your best self

Friday 3rd April 2020

Dear Parents, Carers and Students,

Earlier today the Office of Qualifications and Examinations Regulation (Ofqual) released guidance which sets out details for schools, colleges, students, parents & carers on how GCSEs and A levels will be awarded following the cancellation of this year's exams.

I would like to signpost parents, carers and students to this guidance, which includes a useful letter of explanation for students:

After the Easter break, school staff will be working on submitting assessment data to Ofqual. I hope this guidance assists you with understanding the process behind the awarding of GCSEs and A levels this summer.

I hope you and your loved ones are faring well.

My regards,

Andrew Parkinson
