

Be Your Best Self

28 April 2020

Application to Sixth Form

Dear Parent

Firstly I hope that this letter finds you and your loved ones well?

I am writing to you to keep you informed of the continued support that we are offering your child for their Post 16 studies.

For our students who have already applied to stay at Tadcaster Sixth Form we are sharing the resources to prepare them for their Year 12 study. Within each subject folder found on the website (link below) there are compulsory work units that will need to be completed by the beginning of the course in September. We hope that not only will it allow students to be inspired by the courses they have chosen but will also keep up their work ethic which will be required in September and beyond. In addition there are a number of enrichment activities that you can encourage them to do to really widen their knowledge of their preferred subjects.

<https://sites.google.com/tgs.starmat.uk/remotelarningtgs/home/remote-learning/year-11/year-11-preparing-for-your-next-steps>

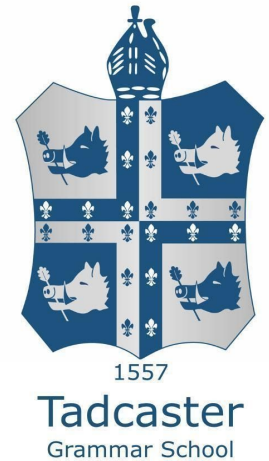

We know that many of our students feel their time here at Tadcaster Grammar School has been cut short and many have shared their appreciation for the support and care they have received. As such, we are re-opening the application form to apply to our Sixth Form (see link below).

When students start their A Level or BTEC courses, they need the support and guidance from specialist staff and we know we can offer this in abundance.

https://docs.google.com/forms/d/e/1FAIpQLScTHDOd1h3ODEpbm1uonXWUn_1oQ9wBYPHLydIBiNJMLIAULQ/viewform?vc=0&c=0&w=1

We have now started to formulate the timetable, so I have included the subject blocking list below. Students can only choose 1 subject per option block and whilst most students will study 3 courses, some do start with 4. The prospectus is also available on the website (link below) so students can check the entry requirements needed to study each course available.

<https://tgs.starmat.uk/wp-content/uploads/2019/10/Sixth-Form-Prospectus-2020-2022.pdf>

A	B	C	D	E
Geography	Biology	Criminology BTEC	Geography	Biology
Economics	Business	Politics	Engineering	Business
Fine Art	Graphics (Double)	Graphics (Double)	Chemistry	Chemistry
German	History	French	Law	Computing
Psychology	Maths	Psychology	Maths	English Literature
BTEC Psychology	Further Maths	Further Maths		Food Science
Physics				Sociology
English Language				Health and Social Care
Photography		PE	Media	Product Design

Subjects in red are taught at SHS

Please Note: If taking Further Mathematics or Graphics both option blocks need to be taken

I will be in touch again with more specific information about the enrollment process which follows the summer results day when perhaps we have a little more clarification from the Government about what Post-16 education will look like in September

If you have any questions or queries then please do not hesitate to contact me via email.

Kind regards

Mrs Ros Knapton
Assistant Headteacher
