

Be Your Best Self

Tuesday 22 September 2020

Dear Parents/Carers

I am contacting you to inform you that late this afternoon I was informed that a student in Year 7 has received a positive Coronavirus test result. After taking appropriate advice, I have taken the decision to ask all students in Year 7 to remain at home tomorrow (Wednesday September 23rd). This is a precautionary measure and allows us to clearly and carefully identify those students who are deemed as close contacts of the student and ensure we are able to communicate with those parents and carers as soon as possible. For those students who are not identified as close contact, school will resume as normal on Thursday 24th September.

Thank you for your understanding and support at this time.

Yours faithfully

Andrew Parkinson
