

Be Your Best Self

November 2020

Dear Parents and Carers,

Online Information Evening

We are so pleased to have welcomed our Year 8 students back to school in September and we are proud of how they have adjusted to new routines in school under the current circumstances.

We are writing to update you about key information now available on the school website

<https://tgs.starmat.uk/parents/parent-information-evenings/>

This includes information on;

- our school vision and values
- our behaviour for learning expectations
- the use of classcharts
- our recognition and rewards
- marking and feedback
- parent pay and cashless catering

We have also included messages from your son/daughter's Form Tutor, Pastoral and Year Leader as these are your key contacts in school. Moving forward we will begin to share key dates, information and events for Year 8 students.

Please do not hesitate to contact a member of our teams if you have any issues.

We thank you for your partnership in the support of our young people.

Yours sincerely,

Mrs Kenny
Year 8 Year Leader
