

Be Your Best Self

November 2020

Dear Parents

Virtual Year 8 Parents' Evening Thursday 10th December 2020

With the on-going Covid-19 pandemic our Parents Evening this year is going virtual. This year we would like to invite you to attend a parents' evening via video appointment call on **Thursday 10th December 2020 4:00pm - 7:00pm**. The parents' evening will involve online appointment bookings, enabling you to reserve specific time-slots with teachers.

The school has introduced a new intuitive and easy to use online appointment booking system. This allows you to choose your own appointments times with teachers and you will receive an email confirming your appointments. Appointments will be 4 minutes in duration.

The booking period opens on **3 December at 4pm** and will close on **7th December at 7pm**. In order for teachers to prepare, please make your appointments at your earliest convenience. Please visit <https://tadcaster.schoolcloud.co.uk> to book your appointments. You will need to login with the following information:

Parent name and email address, student's First Name, Surname and date of birth.

Parents Evening remains an invaluable opportunity to discuss your child's progress with their subject teachers directly and your attendance is vital in supporting this. This is another new learning curve for us all: teachers, admin staff, parents and students, so can I thank you in advance for your understanding if any issues arise. I hope the opportunity to facilitate high quality conversations with our teaching staff about your child's progress in such an important year is beneficial.

Yours sincerely

Mr M Dunphy
