

Be Your Best Self

November 2020

Dear Parents

Virtual Year 13 Parents' Evening Wednesday 25th November 2020

With the on-going Covid-19 pandemic our Parents Evening this year is going virtual. This year we would like to invite you to attend a parents' evening via video appointment call on Wednesday 25th November 2020 4:30pm - 7:00pm. The parents' evening will involve online appointment bookings, enabling you to reserve specific time-slots with teachers.

The school has introduced a new intuitive and easy to use online appointment booking system. This allows you to choose your own appointments times with teachers and you will receive an email confirming your appointments. Appointments will be either 5 or 10 minute in duration depending on the number of students the member of staff teaches.

The booking period opens on **19th November at 4pm** and will close on **23rd November at 4pm**. In order for teachers to prepare, please make your appointments at your earliest convenience. Please visit <https://tadcaster.schoolcloud.co.uk> to book your appointments. You will need to login with the following information:

Parent name and email address, student's First Name, Surname and date of birth.

Parents Evening remains an invaluable opportunity to discuss your child's progress with their subject teachers directly and your attendance is vital in supporting this. This is another new learning curve for us all: teachers, admin staff, parents and students, so can I thank you in advance for your understanding if any issues arise. I hope the opportunity to facilitate high quality conversations with our teaching staff about your child's progress in such an important year is beneficial.

Yours sincerely
