

STAR MAT Complaints Policy: Centre Assessed Grades Addendum 2021

Complaints about the awarding of Centre Assessed Grades (“CAGs”) as part of the 2021 Summer Exam series are outside the scope of the STAR MAT Complaints Policy (<https://web.starmat.uk/wp-content/uploads/2020/10/STAR-MAT-Complaints-ProcedureOCT2020.pdf>) and will be considered under a separate Appeals Process as detailed by the Trust secondary schools.

Any continuing concerns following completion of the school level CAG Appeals Process may subsequently be raised through the Trust complaints process.
