## Policy Aims

School uniform is an important element of the school's vision and values. Therefore all students are expected to wear their uniform correctly and take an active pride in their appearance.

The school is a place of work and students' standards of uniform are expected to reflect the important nature of learning as well as appropriate health & safety considerations.

Students are expected to respect and comply with the school uniform policy and will be sanctioned if they do not meet the agreed standards.

### **The School Uniform Policy supports us to:**

1. Promote a sense of community and belonging to the school
2. Engender a sense of pride in, and loyalty to, the school
3. Enable students to feel equal to their peers in terms of appearance
4. Avoid discrimination and promote fairness and equality

The school uniform is also designed to be practical, smart and gender neutral.

All students should wear their uniform and conform to the policy when attending school, when representing school externally or when participating in an event organised by the school outside of school hours, unless permission is granted by the school to do otherwise.

All parents of students attending Tadcaster Grammar School are expected to support the school by ensuring that students conform to the policy.

All staff will support the Uniform Policy by promoting and maintaining high expectations with regard to uniform in lessons and around the school in general.

The School Uniform Policy will be dynamically reviewed regularly to ensure it reflects fairness, sensitivity and meets legislation.

### **Suppliers**

Our current supplier is Chalks which is located within the school grounds. The school is committed to ensuring best value for money with uniform purchased through our supplier. In addition, we want to be able to offer families choice when purchasing school uniform. As a result of this, our new policy means that the only garments that are required to be bought from Chalks are the following:

#### **Main school uniform**

- School blazer with school badge
- School tie

#### **PE uniform**

- White polo shirt
- Reversible rugby shirt
- School PE Hoodie

Chalks do supply other items of school clothing that may be convenient to buy at the time of purchasing other items of school uniform. However families are free to shop around if they wish.
