

Having access to the latest technology when and where they need it, gives students the very best chance of success in and beyond the classroom. But for parents and carers, making that investment can be a struggle and the equipment they choose may not always be in line with the School's existing systems and infrastructure.

Lenovo

300e 11.6" Chromebook

Our recommended device for KS3 students is the 360° 11.6" touchscreen **Lenovo 300e**

It's a robust and rugged chromebook designed for use in education. Built to withstand everyday classroom knocks, bumps, drops and spills without damage. The extensively tested, impact-resistant body stands up to daily wear and tear.

It also boasts rubber bumpers, reinforced ports and hinges, and secure mechanically anchored keys. With its school day-long battery life, students can be guaranteed continuous and uninterrupted learning without worry.

Key dates

Portal opens	13.09.21
Portal closes	10.10.21
First direct debit	25.10.21

How Technology Supports Students' Learning.

Chromebooks do not replace, but supplement our existing learning strategies. They give students access to Google Education applications which greatly enhance the learning experience. 'Google Classroom' in particular offers exciting collaborative and interactive educational activities, effective online feedback and improved communication between teacher, student and parent.

Costs

Cash option	£388.49
36 months	£13.23 / month
24 months	£18.56 / month
12 months	£34.57 / month

All options include 3 year warranty in case of any technical problems, and insurance covering accidental damage.

Terms available with no credit check required

Chromebooks for Learning Scheme

Lenovo 300e

Thanks to its durable 360-degree hinge, the 300e 11.6" 2-in-1 chromebook can be used in multiple modes depending on the learning environment. Use it in Tablet mode to mark up documents. Laptop mode is great for writing essays. Stand and Tent modes help focus students' concentration.

Create, share, collaborate using Google Education Apps • Organise homework and classwork through Google Classroom • Use digital tools to support research and writing • effective online teacher feedback • Think and behave creatively across all subjects using cloud apps for exploring, designing and planning • Access schoolwork and resources anywhere and any time

FAQS

Can I spread the payments out over time?

Pay in full, or in installments over a period of months depending on your preference.

What happens at the end of the agreement?

On your final payment the device becomes yours.

Will there be any credit checks?

No everyone is approved and there are no credit checks.

What is the excess on the insurance policy?

There is no excess on either the accidental damage insurance or warranty and you will receive the policy details with your device.

How do I make an insurance or warranty claim?

You will be provided with a policy and claims document detailing how to make a warranty or insurance claim.

Can students use it at home?

Yes. Students can use it as their own personal device at home. There will be some safeguarding restrictions applied. Please ask for more information.

How many devices can I order?

One per student on roll at the School.

When will I receive the device?

The ordering window will open on **Monday 13.09.21** and orders need to be placed by **Sunday 10.10.21**. If you choose to pay in installments, your first direct debit will be collected on **25.10.21**. The devices will be delivered to school in November, and handed out to students directly.

What happens if I miss a payment or can no longer afford the device?

You will have to return the device; you will not own the device until the final payment is made.

What if my child leaves the School?

You must return the device to the School or alternatively pay the outstanding payments to take ownership of the device.
