OUR CORE VALUES *(These should be seen, experienced & lived)*

Staff are guided by the following **values** which underpin everything we do, every day:

Students considered first	All of our decisions should put the needs of students first. All students will be known well, included, valued and heard.
High expectations - no limitations	We do not prejudice potential by preconceptions about individuals or groups of students.
The optimum curriculum experience for each student	We respond to the aspirations and needs of individual students with a broad and balanced curriculum and diverse co-curricular offer.
The optimum support for each student	Students are individuals with their own needs and requirements; our care and pastoral support systems need to reflect this.

All **students** are expected and supported to show the following **values** every day:

Ambition	To have a desire to achieve success.
Resilience	To show a determination to achieve success
Responsibility	To take ownership for their actions and work in and out of school.
Respect	To be considerate to themselves and others.
