

Statement

Due to significant damage caused by the recent storms, school will be closed for all students on MON 28 FEB 22.

All lessons (including sixth form) will be provided on-line via remote learning. Sixth Form students with lessons at Sherburn High School should attend face-to-face if they can arrange their own transport.

Students are expected to be online, accessing their Google Classrooms and school emails at the **start times** when their normal timetabled lessons take place:

09.05 / 10.05 / 11.25 / 1.05 / 2.05 [Records will be kept of student attendance on-line]

As a result of recent staffing changes, it is vital that all students check their timetables on Class Charts over the weekend before Monday's lessons commence. Students in Key Stage 3 in particular, may have significant changes to their timetable from Monday, and they will need to ensure they are accessing the correct lessons at the appropriate time in the day.

School will be fully open for all staff and students on TUE 01 MAR 22 (World Book Day - non-uniform day [Harry Potter theme])
