

# Be Your Best Self

March 2023

## Welcome to Tadcaster Grammar School

We are delighted that you will be joining us in September 2023, and hope you are feeling excited about making the next big step in your school life. Amidst the excitement, we know that for some people the transition to secondary school can be a little daunting. Our aim is to make your move as smooth as possible and ensure that you quickly feel settled and part of the Tadcaster Grammar School (TGS) family. As part of that process to help with your transition from primary school to TGS we are asking you for some names of friends you would like to be in the same teaching group with. Along with a parent/ carer please complete this google form [HERE](#) by **Monday 17th April**

Our **transition days** will be held on **Wednesday 5th and Thursday 6th July** where you will experience two days in the life of a student at TGS and have the opportunity to make new friends and meet key members of staff. Please look at our transition webpage at <https://sites.google.com/tgs.starmat.uk/tgs-year-6-into-7-transition/home> which we will continue to update over the next months ,with everything you will need to know about your exciting move to your secondary school.

At TGS we believe that every student should be known as an individual and we are keen to find out as much as possible about you before you start in September. We will be in touch with your primary school to obtain as much information from your teacher as possible. To get to know you a little better a member of the transition team will either come to visit you at your primary school or we will invite you to join an after school tour before the transition days.

We and the Year 7 Team are really looking forward to meeting you next term.

Yours sincerely,

Mrs Knapton
