We are excited to be able to include all students in our quest to raise just over £68,000 towards our fundraising for the refurbishment of the athletics track. This is a huge project for us and we are grateful that **Tadcaster Harriers** running club have joined us in partnership. The refurbishment costs are broken down into:

We are very much looking forward to our whole school SPONSORED 1, 3, & 5km WALK/RUN being held on Wednesday 16th and Thursday 17th July. We hope to make the day one of lots of fun for all year groups, and staff. **Every £ given in sponsorship will make a difference to our community, and school. Students will receive a certificate on completing the course. Thank you so much for your sponsorship - we really appreciate your support!
