

# **GCE Post Results Information Summer 2026**

Information for students and parents

## **In your results pack you have:**

1. Results
2. JCQ Infographic “Deciding what to do after you’ve got your results”
3. Green GCE Summer 2026 Post Results Service Fees & Requests
4. Pink QR code for Post Results Service Google Form.

If you decide to request one or more of the Post Results Services, the request **MUST** come from the student, not their parent. Only students can access the Google request form as it is linked to their school account.

Our preferred way to receive a Post Result Request is via the Google form which you access by scanning the QR code on the pink sheet.

An alternative way (only to be used if you cannot use the QR code) is to complete the table at the bottom of the green “GCE Summer 2026 Post Results Service Fees & Requests” sheet and email a scan/photo of this to the Exams Office. This sheet must be signed by the student.

## **Payments.**

Payments for Post Results requests must be made before they can be processed.

Payment can be made via ParentPay – Please look for the item “Summer 2026 Post Results Service.” The payment amount is variable so the exact cost can be made. Please see the green sheet for costs.

Students who do not have access to ParentPay can make payments via BACS, details below. Please email proof of payment (screenshot/photo) to the Exams Office at [j.utley@tgs.starmat.uk](mailto:j.utley@tgs.starmat.uk) and [c.chan@tgs.starmat.uk](mailto:c.chan@tgs.starmat.uk), as requests cannot be submitted until payment confirmation is received.

Bank Account Name: Yorkshire Learning Trust

Sort Code: 30 65 22

Account Number: 81037360

Reference: (students name + Post Result)

**Post Results Service requests cannot be submitted until payment is confirmed.**
