Pupil Premium Funding

As a school we strive to offer additional educational opportunities to all students and do not want home financial difficulties to be a barrier. We are here to support. If your household income is low or has recently decreased, your child may well qualify for Free School Meals. Indeed, over the last two years, we have seen a significant rise in successful applications.

If you wish to apply for Free School Meals, you can complete the NYCC application form [here](#) or if your home address falls under Leeds City Council, please complete their form [here](#)

Please note if you live outside of North Yorkshire you will need to complete this form again.

In addition to securing free school meals, your child would also become eligible for Pupil Premium funding. This provides schools with money that we utilise to support your child with additional educational opportunities (more details about Pupil Premium can be found [here](#)).

We also work closely with our local food banks, who continue to offer vital support to families.

Please feel free to contact Miss Higginson (c.higginson@tgs.starmat.uk), who will be the Pupil Premium Lead in school from September.
