

September 2026

Dear Parents, Carers and Students,

Super September

As we begin a new academic year at Tadcaster Grammar School, we want every student to feel confident, motivated and ready to make a strong start. September sets the tone for the months ahead, and we know that when students attend well, engage positively and meet our expectations, they build the foundations for long-term success, allowing them to Be Their Best Self.

This year, we are excited to launch **Super September** — a new celebration event designed to recognise the vast majority of our students who consistently get it right.

What is Super September?

Super September is a whole-school celebration taking place at the end of the month. Students who achieve:

- **95% attendance or above, and**
- **No detentions during September**

will be invited to take part in a special celebration event. September includes **16 days of school**, and we want to reward those students who show commitment, positivity and pride throughout this important first month.

Why are we doing this?

At Tadcaster Grammar School, most of our students demonstrate excellent attitudes every day. They attend regularly, behave respectfully, and contribute positively to our school community. Super September is the first of many new events that will shine a spotlight on these students — celebrating their effort, consistency and character.

We want students to feel proud of meeting our expectations, and we want families to know that we value and recognise the choices their children make.

What happens next?

Throughout September, tutors and teachers will encourage students to stay focused, attend well and make positive choices. At the end of the month, students who meet the criteria will receive an invitation to the Super September celebration.

This is just the beginning. Over the year, we will introduce further celebration events to recognise students who show ambition, resilience, respect and responsibility — the values that make Tadcaster Grammar School such a special place to learn.

Thank you for your continued support. Together, we can ensure that every student gets off to a flying start and feels proud of what they achieve.

Warm regards,

Jon-Paul Craig

Headteacher

Tadcaster Grammar School
