School Uniform Policy

Adopted by the Tadcaster Grammar School Governing Body:	Interim Uniform Policy
Amended:	July 2026
Review date	October 2026

School Uniform Policy

School uniform is an important element of the school's vision and values. Therefore all students are expected to wear their uniform correctly and take an active pride in their appearance.

The school is a place of work and students' standards of uniform are expected to reflect the important nature of learning and appropriate health & safety considerations.

Students are expected to respect and comply with the school uniform policy and can expect to be sanctioned if they do not meet the agreed standards.

The School Uniform Policy supports us to:

1. Promote a sense of community and belonging to the school
2. Engender a sense of pride in, and loyalty to, the school
3. Enable students to feel equal to their peers in terms of appearance
4. Avoid discrimination and promote fairness and equality

The school uniform is also designed to be practical and hard-wearing.

All students should wear their uniform and conform to the policy when attending school, when representing school externally or when participating in an event organised by the school outside of school hours, unless permission is granted by the school to do otherwise.

All parents of students attending Tadcaster Grammar School are expected to support the school by ensuring that students conform to the policy.

All staff will support the Uniform Policy by promoting and maintaining high expectations with regard to uniform in lessons and around the school in general.

The School Uniform Policy will be reviewed regularly to ensure it reflects fairness, sensitivity and meets legislation.

Summer Uniform

During half term 6 **only** (after May half term break), students can wear our new summer uniform if they wish to do so. The summer uniform is **either**:

- Plain or TGS logo white polo shirt must be fully tucked into the waistband of students' trousers, skirt, tailored school shorts or tailored school skorts (**PE skorts are not allowed**) at all times. No other logo, including white logos, are allowed on the polo shirt. Separate PE polo shirt is required by students on PE days, **OR**:
- Shirt (long or short sleeved) must be fully tucked into the waistband of students' trousers, skirt, tailored school shorts or tailored school skorts (**PE skort is not allowed**) at all times.

Summer school uniform is an equally important element of the school's vision and values as our main school uniform and therefore should be worn correctly with equal pride.

The purpose of our summer uniform is to optimise students' comfort during the warmer months of June and July by creating an environment where students can thrive academically while remaining comfortable throughout the school day. Students can still choose to wear their full uniform (tie, blazer and jumper) if they wish.

On days, when students have PE, they should bring a different polo shirt for this lesson. Students should change after a PE lesson to maintain hygiene, prevent body odour, and promote a fresh, comfortable learning environment for themselves and their peers.

Students are expected to continue to wear navy, dark grey or black socks (not white) and black school shoes during the summer uniform period. Trainers and white socks are not permitted.
