

September 2026

Dear Parents and Carers

Year 11 Pie Night & GCSE Preparation Evening Thursday 17th September

Year 11 is the most important school year for your child and as a school we will be providing a new high-quality programme to support them through this year, allowing them to fulfil their potential.

As part of our programme, we would like to invite you to our **Year 11 Pie Night & GCSE Preparation Evening on Thursday 17th September. To support with the high numbers, we plan to run two sittings. Please see below for details:**

5:30pm – Students with surname beginning A-K - Presentation begins at 5:30pm

6:30pm – Students with surname beginning L-Z - Presentation begins at 6:30pm

We hope that you and your child can attend the evening as you will receive key information about the year ahead, including key dates and events we plan to run throughout the year. In addition, you and your child will receive tips to support them through Year 11 and during exam season.

As Year 11 students approach their crucial stage of their preparation for their mock examinations at the end of October, we would like to ensure that time spent revising is beneficial. All research shows that targeted revision leads to improved results, and we are doing a lot of work with Year 11 students to emphasise this. However, it is also important that students use effective revision strategies when completing home learning to maximise their preparation.

After the presentation, students will also receive a free revision pack containing:

- flash cards
- highlighter
- pen
- A4 workbook for revision

Finally, enjoy a pie with your family and friends, on us!

We expect turnout to be high, so to help with catering, please complete the google forms - [link](#)Yours sincerely,

Mr J P Craig
Headteacher
