

School Vision & Values

Our vision *(Our cause; our key belief)*

Be your best self

We want all students to maximise their potential through excellent academic and personal development. Each individual should also be able to achieve fulfilment in their current and future lives.

Our core values *(These should be seen, experienced and lived)*

*Staff are guided by the following **values** which underpin everything we do, every day*

Students considered first:

All of our decisions should put the needs of students first. All students will be known well, included, valued and heard.

High expectations - no limitations:

We do not prejudice potential by preconceptions about individuals or groups of students.

The optimum curriculum experience for each student:

We respond to the aspirations and needs of individual students with a broad and balanced curriculum and diverse co-curricular offer.

The optimum support for each student:

Students are individuals with their own needs and requirements; our care and pastoral support systems need to reflect this.

*All **students** are expected and supported to show the following **values** every day:*

- AMBITION:** To have a desire to achieve success.
- RESILIENCE:** To show a determination to achieve success.
- RESPECTFUL:** To take ownership for their actions and work in and out of school.
- RESPONSIBLE:** To be considerate to themselves and others.
